**Echocardiogram**

- An ultrasound of the heart.
- No preparation is required.
- The test takes approximately 30 to 45 minutes.

**Treadmill Stress Echocardiogram**

- Comfortable clothing and walking shoes should be worn.
- Fasting is required for two hours prior to the procedure (no food or drink).
- Some medication may need to be stopped; please check with your referring doctor or contact our friendly reception staff.
- Test takes approximately 30 minutes.

**24 Hour Holter Monitor and 24 Hour Blood Pressure Monitor**

- Monitors are worn to measure heart rate or blood pressure for a 24 hour period.
- No showering is permitted whilst wearing the monitor.
- The monitor must be returned the following day at the same time it was fitted.
